

EZ-PLATE *STRIPPER PLATE IMPROVED*

AN EXCELLENT SOLUTION FOR A WIDE VARIETY OF APPLICATIONS.

Whenever a free machining, stress relieved, Blanchard ground, low carbon steel plate is required, EZ-Plate is a solid, cost effective choice.

When used properly, EZ-Plate reduces wear on tooling and provides consistent chip formation. It's ease of machining results in savings.

Available in a variety of thicknesses as well as Blanchard Ground top & bottom $+.003$ and saw cut edges.

PROVEN EFFECTIVE FOR:

- DIE STRIPPERS
- MOLD PLATE STRIPPERS
- MOLDS & DIES
- JIGS & FIXTURES
- GUIDE PLATE & RAILS
- MOUNTING PLATES
- MANIFOLDS
- AND MORE...
